We will meet virtually online during your designated meeting time in the **Blackboard Collaborate classroom** (not Zoom). (attendance points can boost your overall grade)

No late work accepted. (sorry!) All assignments must be submitted in Blackboard by the stated deadline indicated in the course schedule.

What's our game plan for this course? To get you ready for your path towards graduation! We will explore the **psychology of learning, examine how to regulate your academic behavior, and set career goals.** Not sure what you want to do yet? No worries – we will figure it out together while utilizing UTRGV resources to maximize your potential.

How can I be successful in this course? Show up. Do the work. Try your best. Communicate with me when you are struggling. Celebrate the small wins along the way. **You can do this.** We're going to have a great semester!
